

Fountain Fixtures

For Decorative Fountains

By Pentair Water Pool and Spa®

Bring fountains to life with brilliant white or dazzling color

Pentair Fountain Fixtures are the only fixtures that offer true color lighting capabilities. When combined with Pentair's Intellibrite® 5g, SAm® Spectrum AmerLite® or SAL® Spectrum AquaLight® automated color lights, these systems will bathe fountains in a constantly changing spectrum of color. Both large and small fixtures are designed for easy installation; just assemble the cradle assembly, drop in the light and install the rock guard. It's that simple!

- Sturdy cast bronze construction with attractive natural bronze finish.
- Base and yoke-mount rotate 360° and pivot 180°.
- Large fixture for use with SAm, Amerlite® and AmerQuartz® lights listed for fountain use.
- Small fixture for use with SAL, AquaLight® and SpaBrite® lights listed for fountain use.

Niche mount kits:

Large lights – Part No. 560002

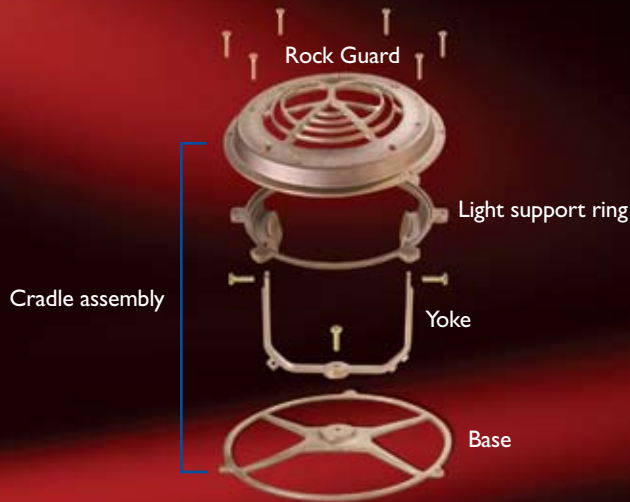

Small lights – Part No. 560003

Light and niche sold separately

*Must use SAm light for water fountains (Part No. 600061 or 600062)

Fountain Fixtures For Decorative Fountains

Simple design for quick and easy assembly

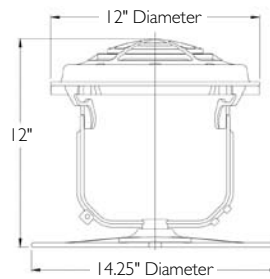

Bathe fountains with brilliant white or a spectrum of color

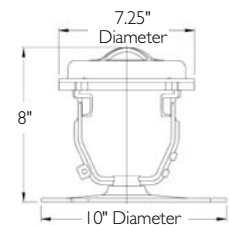

Pentair's IntelliBrite® 5g, SAm® Spectrum Amerlite® and SAL® Spectrum AquaLight® allow you to highlight your fountain in a custom color; or slowly roll through the entire color spectrum.

Additional features include:

- Integrated bonding lug for electrical safety.
- Exclusive strain-relief prevents damage to wiring connections.
- Niche installation option available.
- UL Listed with Pentair Pool Products® lights only.
- One-year limited warranty. See warranty for details.
