

## Kruiser™ Automatic Inground Pool Cleaner

By Pentair Water Pool and Spa®

## Put your pool cleaning on “Kruise” control

The Kreepy Krauly® Kruiser™ pool cleaner shares many of the design features of the original Kreepy Krauly® pool cleaner, the most popular automatic suction-side vacuum in history. Then we added performance features to make Kruiser relentless in its pursuit of dirt and debris, while keeping it affordable and sensationally dependable.

Kruiser features a new, patented silent flapper design. This sole operational moving part creates the kinetic energy that powers Kruiser around your pool. Elegantly simple and highly reliable, this dependable design has been proven in more than 3 million pools worldwide. Other features include:

- Powerful vacuum action and extra-wide mouth capture large and small debris for spotless cleaning.
- Patented seal design and built-in bumper help Kruiser maneuver around obstacles for uninterrupted performance and total cleaning coverage.

- Simple design for long, dependable life—silent flapper is the only moving part—no bags or compartments to empty, wheels or gears to jam or diaphragms to replace.
- No expensive booster pump to buy or operate—saving you money and energy.
- Adjustable regulator valve and FREE flow gauge let you set just the right speed for the most effective cleaning possible.
- Installs in minutes—no tools required.

*Specially designed curved “fingers” climb over obstructions so Kruiser keeps performing—unattended and without interruption.*

The brand of choice for more than **3 million** pool owners worldwide.

# Kruiser™

## Automatic Inground Pool Cleaner

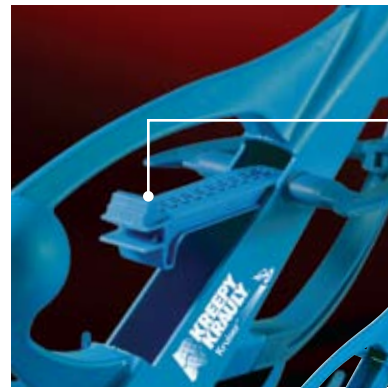

- Connects to your skimmer or vacuum line fitting in minutes without tools
- Built-in bumper ensures freedom of movement around steps, ladders and other obstacles
- Patented seal design with curved “fingers” navigates over and around pool obstacles for total coverage and uninterrupted performance

## Supremely simple and relentless in the pursuit of dirt and debris

The Kreepy Krauly® Kruiser™ pool cleaner is the ultimate in carefree operation. It comes fully assembled. Just add the seal and connect the hoses. No tools required and you're on “Kruise” control in minutes. It even comes with a free flow gauge and adjustable speed control to ensure optimum performance. Also, consider these other hands-free and reliability features:

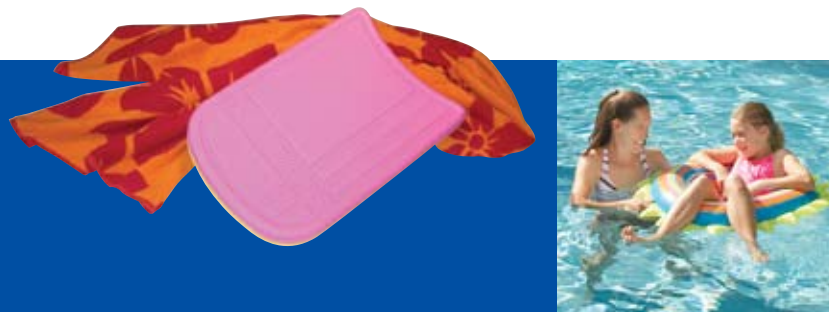

- No bags or compartments to empty or replace...dirt and debris go right to your filtration equipment...where they belong.
- No wheels or gears to jam or diaphragms to replace.
- No expensive booster pump to buy and operate...it uses your pool's existing filtration system.
- Only one operational moving part...only 8 parts in total.
- All parts are UV stable and chemical resistant for years of dependable service.
- Sleek, compact design increases maneuverability for best cleaning performance.
- Backed by the largest pool equipment company in the world. Have a question? Contact our toll-free customer helpline. Live technical experts are there to help in the U.S. and Canada.
- Two-year limited warranty. See warranty for details.

**Flapper**—the only moving part in Kruiser's simple and dependable propulsion system—and only 8 parts in total.
