

Kruiser™ Automatic Inground Pool Cleaner by Pentair Water Pool and Spa®

SLEEK NEW DESIGN

Delivers Greater Cleaning Power
and Maximum Pool Coverage

Put your pool cleaning on “Kruise” control

The all new sleek design of the Kreepy Krauly® Kruiser™ pool cleaner now delivers even greater cleaning power. We've added performance features to make Kruiser relentless in its pursuit of dirt and debris, with maximum pool cleaning coverage—all while keeping it affordable and sensationally dependable.

The new Kruiser features a silent flapper design. This sole operational moving part creates the kinetic energy that powers Kruiser around your pool. Elegantly simple and highly reliable, this dependable design has been proven in more than 3 million pools worldwide. Other features include:

- Sleek new design delivers greater cleaning power for maximum pool coverage.
- Powerful vacuum action and extra-wide mouth capture large and small debris for spotless cleaning.
- Superior seal design and built-in bumper help Kruiser

maneuver around obstacles for uninterrupted performance and total cleaning coverage.

- Simple new design for long, dependable life—silent flapper is the only moving part—no bags or compartments to empty, wheels or gears to jam or diaphragms to replace.
- No expensive booster pump to buy or operate—saving you money and energy.
- Adjustable regulator valve and FREE flow gauge let you set just the right speed for the most effective cleaning possible.
- Installs in minutes—no tools required.

Specially designed curved “fingers” climb over obstructions so new Kruiser keeps performing—unattended and without interruption.

The brand of choice for more than
3 million pool owners worldwide.
