All MagicFalls® part numbers begin with "58" followed by lip series, length, water effect and color designation. If ordering optional bottom feed, include that designation as well.

**Step One: Select MagicFalls Waterfall Lip Series:**

1-inch lip (straight waterfalls)	5811	
6-inch lip (radius/curved waterfalls)	5812	
13-inch lip (super radius/curved waterfalls)	5814	

To select proper lip series for radius/curved waterfalls, refer to the MagicFalls Sales Brochure chart.

**Step Two: Select MagicFalls Waterfall Width:**

8-inches	00		4-feet	04	
1-foot	01		5-feet	05	
18-inches	18		6-feet	06	
2-feet	02		7-feet	07	
3-feet	03		8-feet	08	

NOTE: Some options are not available in certain combinations. For example, Arc Sheet effect is only available in certain widths. For details on all options, refer to the MagicFalls Sales Brochure chart.

All MagicFalls Waterfalls are made to order and cannot be returned. Visit [www.pentairpool.com/waterfalltool](http://www.pentairpool.com/waterfalltool) to use our simple waterfall configuration tool.

**Step Three: Select MagicFalls Waterfall Effect:**

Water Arc Rain	AR	
Water Arc Sheet	AS	
Waterfall Curtain	FC	
Waterfall Rain	FR	
Waterfall Sheet	FS	

**Step Four: Select MagicFalls Waterfall Color:**

Brass	B		Silver	S	
Gray	G		White	W	
Copper	P		Bronze	Z	

**Step Five: Select**

Optional bottom feed pipe inlet? If yes, add "BF" to part number. (BF option available on 8" - 4' widths only.)	BF	
---	----	--

Part Number	<b>58</b>				
-------------	-----------	--	--	--	--

NOTE: For custom factory radius, add #5890001 to order, with a note for radius and dimension and convex pool VS. concave pool. For custom curve, add #5890002 to order and provide template. Factory Cut Radius Curves are only available with Waterfall Sheet or Waterfall Rain. Factory Cut Custom Curves are only available with Waterfall Sheet.
