

Easy to install and totally dependable

QuickNiche™ vinyl pool lighting niche is a product that really lives up to its name. This simple yet revolutionary back-up design mounts and seals like a vinyl inlet fitting—fast, secure and leak-proof. In fact, QuickNiche is so easy to install that it only takes one person.

- Fits a standard niche panel.
- No screws through the pool wall ensure no leaks or wall panel exposure to pool water as with conventional vinyl niches.
- Rubber gasket is overmolded on the seal ring for a waterproof seal.
- Built-in current-collecting ring provides maximum safety.
- Deep pilot screw threads for durability.

QuickNiche™ Vinyl Pool Lighting Niche

Simple three-piece design for fast, easy installation.

Overmolded rubber gasket for a waterproof seal

Rugged PVC construction

Screwless back-up ring threads into back of niche for easy installation

Simple, fast and secure

Nothing could be simpler. This three-piece design allows for fast and easy installation by one person. Just place the niche in the pool wall, thread the back-up ring into place, attach the sealing ring and installation is complete!

The rubber gasket overmolded on the seal ring provides a leak-proof seal. QuickNiche™ also offers the following durability and convenience features:

- Rugged PVC construction for enhanced durability.
- Combination 3/4" or 1" conduit connection offers installation flexibility.
- Accommodates rear or 45° conduits.
- Easily accessible connection for grounding and bonding.
- UL Listed with Pentair Pool Products® lights only.
- One-year limited warranty. See warranty for details.
